Give the Gift of Opportunity This Holiday Season

Dear Family and Friends.

Every child deserves the opportunity to dream big. Every senior deserves to feel celebrated. And every gift, regardless of size, can make a difference.
For more than 60 years, the Pasadena-Altadena (CA) Chapter of The Links, Incorporated has empowered youth, supported education, and enriched lives through community service.

Your generosity makes a lasting impact:

- **Over $820,000 in scholarships awarded** through our Isaac McClelland Memorial Scholarship Program, helping African American high school seniors in the Pasadena Unified School District pursue higher education.

- **30 years of celebrating seniors** through our annual Senior Talent Show, bringing recognition, fellowship, and joy to older adults.

- **Inspiring future healthcare leaders** through Dr. Me, a new January 2027 initiative introducing elementary school students to careers in medicine, science, and healthcare.

With your support, we can do even more.
Will you consider a gift of **$50, $100, $250**, or any amount meaningful to you? Every contribution helps create opportunities and strengthen our community.
